Description

Partner:

Between the Vercors mountains and the Provence region, the pretty village of Etoile sur Rhone will welcome an international workcamp like every summer for more than 40 years. Thousands of volunteers have participated through the years in the renovation of the paved alleys and historical monuments of the village, which has a rich cultural heritage. You will be delighted by the Drome Valley: people interested in cultural history will not regret coming here. You can also be part of this adventure <http://www.etoilesurrhone.fr/s-informer/galerie-photo-video dossier-498> <http://www.ville-etoilesurrhone.fr>

Work:

The volunteers will continue the enhancement work on the territory of the town, in order to maintain the pleasant living environment. You will follow in the footsteps of your predecessors and carry out this work under the direction of a technical leader.

Accommodation and food:

You will be staying in the Penitents chapel located in Etoile-sur-Rhone's town centre. Refurbished by previous international volunteers, this building is now comfortable: there are dorms, toilets and showers, a shared kitchen and a huge communal lounge for spending time with other volunteers (ping pong table available). A washing machine will be made available to the volunteers. Each volunteer will participate in everyday household tasks (cleaning, doing the dishes-). Meals will be prepared in groups: feel free to bring culinary specialities from your home country and your favourite recipe to share with everybody. We cannot take care of you if you arrive before the starting date of the project, or if you stay after.

Location and leisure:

Located 10 km south of Valence, in the Drome department, Etoile (5000 inhabitants) is a town which overhangs the Rhone valley. Its village, at the heart of an enclosure of the 15th century, reveals an architectural heritage of quality: church, apparent-stone houses, chapel and castle. As for its countryside, it is characterized by much diversified landscapes (edge of river in Rhone and Veore -, agricultural and fruit-bearing zones, hills and woods). The teenagers of the MJC will be happy to share leisure activities with you (sports, visits-) and some other local organization as well: Lake festival at Etoile and national day on 14th of July, meeting with other workcamps. Other possible free time activities: excursion to discover the Vercors mountains, visit of nearby cities (Crest, Montelimar, Valence...) and their specialities: manufacture of Nougat, olive oil.
