Recognizing the special conditions under which domestic work is carried out that make it desirable to supplement the general standards with standards specific to domestic workers so as to enable them to enjoy their rights fully, and

Recalling other relevant international instruments such as the Universal Declaration of Human Rights, the International Covenant on Civil and Political Rights, the International Covenant on Economic, Social and Cultural Rights, the International Convention on the Elimination of All Forms of Racial Discrimination, the Convention on the Elimination of All Forms of Discrimination against Women, the United Nations Convention against Transnational Organized Crime, and in particular its Protocol to
